## Bayside Terrace, A Wonderful Place to Live!

To all Residents & Staff,

Greetings & Blessings to all!!

We are all so lucky to be given this gift of life, so I encourage everyone that everyday let us all do a random act of kindness to one another whether it be a kind word, a gesture of caring or helpfulness, or even a plain simple smile or a gentle "Hello" or "How are You?".

Bayside's Mini Olympics was a huge success as we remembered the 50's. We had plenty of food, lots of games, great weather & many prizes – Unfortunately we did not get the trophy back. Thanks to all the residents who participated and tried to win the trophy. I appreciate your commitment and help. I hope you had fun doing all the games and enjoyed socializing with other residents from other homes.

Likewise, our 4<sup>th</sup> Annual Employee Appreciation Picnic was also a huge success. We had a blast and everyone who attended left with prizes and a full stomach, with many fond memories

not to mention we now know how to dance the Valo, thanks to our DJ.

The patio continues to look clean thanks to you all for disposing your cigarette butts in the ashtrays and also to all the volunteers who give their best cleaning the patio.

We want to welcome John Manning back. He was kind enough to help us replace one of our social workers who had to leave suddenly. He will be here until we welcome our full time social worker, Michael Griffin, on August 12. To all of you who make coming to work every day a pleasure and an honor, my deepest thanks and gratitude.

Let us all work together to make Bayside your best home and our best place of work. "The best in the west".

Peace, Love & Joy to us all,

Demy

My yard is full of leaves today

Brown and yellow and gold  
I think I'll make them in a pile  
higher than my head

Then I'll pretend it is my bed  
I'll jump in very quick  
and pile their leaves up over me  
For covers soft and thick

I'll just lie there so nice and warm  
And look up in the sky  
And watch more leaves float down for  
me  
To rake up bye and bye

Follow the Flowers

Follow the flowers  
where 'ere they be  
Gaze upon white  
lilies  
in their majesties  
Ponder a pansy  
sniff a red rose  
Let the bright  
yellow roses  
keep you on your  
toes.

Summer

Labor Day

By Lill Pluta

People work. People play.

That's why we have Labor Day.

Plumbers, bakers, painters, vets,

Fishermen with giant nets,

Barbers, snipping with their shears,

Teachers, waiters, nurses, cooks,

Authors writing thrilling books,

Carpenters and Deputies,

People who take of bees.

No matter what it is you do,

There's one thing that's always true,

Every worker needs to rest.

I hope your Labor Day's the best!

### Grandparent's Day

My grandmothers were so funny. On one occasion, they were both over at our house, telling us that they ran into each other at a R rated movie and they watched it together, they both enjoyed it.
